

Join advocates from across the country for a day of community and congressional meetings focused on dignity, protection, and hope.

JRS/USA ADVOCACY DAY

Tuesday, April 21, 2026

JRS/USA's Advocacy Day for 2026 will bring together supporters, students, parish communities, and partners across the Jesuit network to advocate for policies that protect refugees, asylum seekers, potential deportees, and Catholic institutions.

Participants will receive training from policy experts, hear stories from the field, and meet with congressional offices to advance JRS/USA policy priorities in solidarity with refugees and other forcibly displaced people in the U.S.
